SAC Ponder, Atlanta, called and furnished the following recent developments concerning captioned matter, which involves the sale of stolen automobiles to members of the Southern Christian Leadership Conference (SCLC). The Atlanta Police Department advised that today Martin Luther King, Sr., visited the Police Department and presented an automobile tag receipt and bill of sale for a 1965 Chevrolet, showing the purchase amount to be \$2,795, registered to a Charles Cook.

King, Sr., told the Police Department that the SCLC had been purchasing cars but had decided to register some of these automobiles by individual rather than the SCLC. He said that he had learned that there was possibly something wrong with this car and he wanted to turn in these papers. Police Department made copies of papers and returned originals to King, Sr.

It is noted that subject Andrews stole this car and sold it to Morris Finley, who in turn turned over the car to Hosea Williams. This car could not be located although we had definite information it was hidden somewhere near Williams' residence.

Subsequently Reverend Andrew Young of the SCLC called the Atlanta Police Department and stated that this automobile was located at the Atlanta airport, having been left there by a SCLC employee prior to taking an airplane flight. Young stated that this car was registered to Charles Cook but that Cook had lost the keys to this automobile. In this connection it is noted that Charles Cook, who is employed as a cook for SCLC, was interviewed on 11/5/65, and disclaimed any knowledge of the purchase of this or any other automobiles.

Memorandum to Mr. Belmont  
Re: HAROLD BELTON ANDREWS, ET AL.

SAC Ponder advised that Agents are en route to the airport in order to process this automobile for prints and other evidence and that Agents are interviewing employees of the Atlanta Police Department who were contacted by Martin Luther King, Sr., and Andrew Young.

In view of the restrictions placed on our investigation by the Department, the above developments were discussed with Mr. Carl Belcher, Criminal Division of the Department, who has been handling all prosecutive phases of this case. Mr. Belcher stated there was no objection to our Agents processing this automobile or interviewing employees of the Atlanta Police Department who talked to King, Sr. and Young. Mr. Belcher was advised that no attempts would be made to interview Martin Luther King, Sr., or Andrew Young unless specifically authorized by the Department. He stated that possibility of interviewing King, Sr., and Young would be taken under advisement and we would be advised at a later date as to what action we should take, if any. Results of conversation with Belcher will be confirmed in writing.

BAYARD RUSTIN

In "The Saturday Evening Post," issue of July 11-18, 1964, page 76, BAYARD RUSTIN is the subject of a feature article captioned: "The Lone Wolf of Civil Rights." In it, RUSTIN is said to have come to New York in 1938, as an organizer for the Young Communist League (YCL), and as such, he had the job of recruiting students for the "Party." Furthermore, the article reports that during his first years in New York, RUSTIN gave most of his earnings to the "Party." He reportedly left the "Party" in 1941, the article states.

The YCL has been designated pursuant to Executive Order 10450.

The "Daily Worker," February 11, 1957, page 1, column 2, reported that BAYARD RUSTIN, Executive Secretary, War Resisters League, was an observer at the 16th National Convention of the Communist Party, United States of America, (CP, USA) held in New York City on February 9-12, 1957.

The "Daily Worker" was an East Coast Communist publication until it ceased publication on January 13, 1958.

 b(1)  
(S)

A confidential source advised on February 19, 1964, that BAYARD RUSTIN contacted BENJAMIN J. DAVIS on those dates and sought his advice as to how he could escape from a speaking engagement to which he was committed. On the latter contact, DAVIS told RUSTIN that he was working on his request and had contacted friends who had contacts with the group to which RUSTIN was to speak. (S)(u)

A confidential source, who has furnished reliable information in the past, learned on November 5, 1965, that on that date Stanley Levison was in contact with Martin Luther King. King told Levison that on Friday (November 12, 1965) he would be in New York and wanted to spend the entire day, from 9:00 a.m. to 6:00pm., in a finance meeting. King said they must discuss the problem immediately, that he would bring Andy (Young) and Ralph (Abernathy) (both officials of the Southern Christian Leadership Conference) (SCLC) with him, and that Stan (Levison), Adel (Kantor) and Bill (Stein) (employees of the SCLC) should be at this meeting. *(S)*

Levison felt that Clarence (Jones) should be at the meeting also and King agreed. King felt that Harry (Wachtel) should be at the meeting at 4:00 p.m. so they could discuss whether the drive would overlap with another drive. Levison stated that he preferred that Harry not be at the meeting because he talks too long. *(S)*

The source also advised on November 6, 1965, that on that date it was determined that Stanley Levison contacted Clarence Jones. It was mentioned that Harry (Wachtel) was in Atlanta and Levison said he knew this because he had been in contact with Martin Luther King. Jones inquired about \$190,000 explaining that according to Harry (Wachtel) they had miscalculated by this amount, that is that they have \$190,000 less than they thought. *(S)*

Levison said he did not know about this but that he had spoken with King and King acted as if the bottom had fallen out of the world. He added that an emergency meeting is being called for Friday (November 12, 1965) which is why King contacted him. He stated that the meeting will discuss mailing programs, church activities, and benefits, beginning at 9:00 a.m., with the period from 4:00 a.m. to 6:00 p.m. reserved for Harry (Wachtel). ~~LS~~

A second confidential source, who has furnished reliable information in the past, learned on November 5, 1965, that on that date Harry Wachtel contacted Clarence Jones. During this contact, according to the source, Wachtel mentioned that someone "goofed" on \$190,000. He stated that they are \$190,000 short and that there would be an emergency meeting in New York on Friday, November 12, 1965. ~~LS~~

A third confidential source who has furnished reliable information in the past, advised on November 6, 1965, that on that date, Clarence Jones asked Stanley Levison if King felt they are in a great financial crises. Levison said King used the term crisis but he, Levison, did not believe it to be immediate. ~~LS~~

Levison explained that according to the old figures, in August, 1965, they had \$450,000 and since their income was about one third of their needs they are running a deficit of about \$70,000 a month. He added that if they were running a deficit of \$200,000 and suddenly discover they are \$200,000 short, it makes things tight. Levison continued that the present time is the worst possible time for a mailing and criticized the whole financial situation including accounting. It was stated that Ralph (Abernathy) monitors the expenses and Levison described him as pompous and ineffective. He ~~LS~~

Mr. J. Edgar Hoover

Dear Mr. Hoover:

Will you please send me enough information on Martin Luther King to convince the Department of Literature of the Methodist Church that he is not worthy to be called a "great Negro leader" This reference was made in lessons for fifth and sixth grade students?

I hope I can convince the writer that this rabble rouser has no ~~more~~ business as being portrayed in any such manner and his name will be omitted next year.

Very truly yours,

Dear Sirs:

A question came up the other day which called for my offering an opinion concerning Martin Luther King. He was called a Communist and I could not agree. Because of my position in our community as a clergyman the burden of proof often falls on me. I am interested in hearing, from some official place whether Dr. King does or does not belong to the Communist party. I have always believed he did not.

I realize that it is not the responsibility of the FBI to pass along information concerning persons. I would appreciate some advice, if you are not able to give information, which would answer my questions.

Sincerely,

Dear Sirs:

In this East Texas town where we are faced with increased racial tensions, there are many people who are not sympathetic with the struggle of the young colored citizens for their rights. It is due in numerous cases not to any unwillingness to take the side of those seeking equality because they are negro but because they are convinced this group is Communist oriented!

I am not involved in the movement (I am the wife of a faculty member of our State College here) but I wonder if you can give me answers to these questions.

1. Is/Has You Communist directed in any way? (Huntsville Action for You or Youth)
2. Has there been any indication that Saul Alinsky, whose organizational theories are mentioned in connection with this organization, has Communist ties?
3. Is there any substantiating evidence that Martin Luther King whom many of us tremendously admire, is a Communist?

We have numbers of very intelligent citizens who claim they have verification of the fact that he is.

4. Could Rev. Alfred Sampson, of the Southern Christian Leadership Conference, who has been active here from Dr. King's organization, be classified as Communist?

EX-107 REC-11 100-106-76 2024  
It would seem that progress in racial understanding in this community would be greatly benefited by a statement from an authoritative source rather than these vague "I know you are aiding the Communist cause." None of our people want to do that. When church groups and young peoples' organizations

are vilified for helping in anyway a person who has any HaYou connections, it compounds the difficulties we face, and makes impossible any solution to problems of racial inequities of which we have more than our share, be it said to our shame.

Any information you could give me would be gratefully received.

Sincerely,

ReDEairtel and letterhead memorandum (LHM) 11/1/65,  
copies to Atlanta and Chicago, dual captioned concerning  
King and Cominfil of the Southern Christian Leadership  
Conference.

The Bureau has declassified referenced LHM. It  
is noted that the only information furnished by the indicated  
source was that subject King would be the principal speaker  
at a testimonial for Congressman Charles C. Diggs, Jr., in  
Detroit, 11/18/65. A prior LHM from Detroit 10/4/65, concerning  
King, reported information from the local press that King  
would be a speaker at the Diggs testimonial. Inasmuch as it  
is public knowledge that King will appear, there is no reason  
to believe that the security of Detroit's source would be  
endangered by reason of the 11/1/65 LHM being unclassified.

Above is for the future guidance of the Detroit  
Office. Recipient offices should note that the 11/1/65  
LHM has been declassified.

Dear Mr. Hoover:

When I talk to my congregation on Civil Rights, especially about the miracle of the non-violence, which Dr. Luther King and his "lieutenants" preach, in spite of violence done to them and how this has been the tradition of the Christian Church through the years to suffer vicariously and die for a cause, some of my people answered by saying that Martin Luther King is a Communist and that in your files you have his record which indicates that he is a member of the Communist Party.

Would you please validate or invalidate this claim. To me it is incredible that such a great Christian should ever be charged with such an awful thing. I would have to see it verified by you to believe it.

ANONYMOUS THREAT TO KILL MARTIN  
LUTHER KING, JR., CHICAGO, ILLINOIS  
OCTOBER 28, 1965  
SECURITY MATTER - C

At 7:00 p.m. on October 28, 1965 [REDACTED] b7(c)  
[REDACTED], Associated Press (AP), Chicago, Illinois, advised the Chicago Office of the Federal Bureau of Investigation that he had just received a telephone call from an anonymous male (AM) individual. The man called the Associated Press and wanted to know if they had a columnist that could do a story for him. [REDACTED] stated that they did not have such a columnist and the man explained that he wanted to give the "Ku Klux Klan side of the story." He stated that he is a member of the Ku Klux Klan and has been since he has been 12 years old. He stated that he was very sensitive about what they are doing to the Ku Klux Klan and mentioned that he is a veteran of two wars and was in the Army and also in the Navy. [REDACTED] stated that the male individual gave his Army Serial Number as RA 905 504. The man then said that recently he overheard a conversation in Chicago and believed that the people involved in the conversation "were not crazy" and he overheard them saying "Martin Luther King, a Communist nigger will not live to see the end of this year." He went on to say that he understood that King will die but the Ku Klux Klan will not have anything to do with it. [REDACTED] advised that he receives many crank calls, but this individual, who did not furnish his name, seemed serious.

At 7:15 p.m. on October 28, 1965, anonymous male telephonically contacted the Chicago Office of the Federal Bureau of Investigation and stated that he is a member of the Ku Klux Klan and is anxious to go to Washington D.C. to testify in behalf of the Ku Klux Klan. He stated "Martin Luther King will be knocked off before New Year's Eve." When asked who will do this he replied "He will be knocked off by his own people." When asked where he heard this he said he heard it in a place in downtown Chicago recently." He then said that

OCTOBER 27, 1965

At 7:55 p.m., CST, October 27, 1965, [REDACTED] Alabama State Troopers, Mobile, Alabama, advised that at approximately 7:40 p.m., CST, [REDACTED] received a phone call at the patrol station at Mobile from what appeared to be a white male, who stated that if Martin Luther King comes to Hayneville, they will kill him, and anyone who is there to protect him. Further, that if King did come to Hayneville, there will be a revolution. The caller asked that this message be relayed to Montgomery, the State Capitol of Alabama. Re: Communist Influence in  
Racial Matters  
Internal Security - C

On October 26, 1965, a confidential source, who has furnished reliable information in the past, advised that Stanley Levison and Clarence Jones were in contact on that date.

According to the source, Levison told Jones that he spoke to Dora (Dora McDonald, Secretary to Martin Luther King, President of the Southern Christian Leadership Conference, SCLC), who advised that she would send the biographical material on King to him (Levison). Jones then asked Levison to contact Arnold Michaelis at ATwater 9-3337 and tell him that "we" were getting the material (the biography of King). Levison inquired of Jones if he had discussed the "Project" with King. Jones, in advising negatively, said, he had not, but said he thought the project would be a good way for King to get his point across.

As their contact continued, Levison said he recently contacted Andy (Andrew Young, Executive Director of the SCLC), who told of the enthusiastic reception King received

in Europe last week. Young said the crowds in Paris were very large, which proved that King has an international following, and, therefore, he (King) has every right to express himself on international questions.

Levison said he conveyed to Andy some of the things "we" had discussed. He said at one point he suggested that "they" (SCLC) should also consider the threat of another March on Washington if he (King) doesn't receive a satisfactory response from the White House or the Administration generally. (Apparently alluded to King's plans for demonstrations for enactment of a Federal statute covering murders of civil rights workers). Andy promised to have this considered at the SCLC Board meeting which was then in progress.

The same source advised on October 26, 1965, that Levison was in contact with Arnold Michaelis on that date. Levison informed him that he had some material on King for him which he would send over.

Michaelis inquired of Levison if King was going to speak in Westchester on the 29th. After Levison replied affirmatively, Michaelis said he would like very much to meet King while he is there. He requested that Levison convey to Jones his desire to see King. Michaelis said he also hoped to get started with King in the next few weeks in Atlanta. Levison said he was sure that King would go for the project.

MARTIN LUTHER KING, JR.  
SECURITY MATTER - COMMUNIST

ReCGtel to Bureau and Atlanta 10/28/65, captioned "Anonymous Threat to Kill Martin Luther King, Chicago, Illinois, 10/28/65" which, for the information of Saint Louis, advised that an anonymous male had telephoned the local press 10/28/65 and claimed to have overheard a threat on the life of subject King. While the anonymous caller did not identify himself, he claimed to be a veteran of both the Army and Navy and possessor of Army Serial Number RA 905504. Shortly after this call was made to the local press, an anonymous male also telephoned the Chicago Office and related a similar report of having overheard a threat on the life of King. From the contents of the two anonymous calls, there is a strong likelihood that they came from the same individual.

Saint Louis is instructed to promptly ascertain full identifying data concerning the individual possessing the Army Serial Number stated above. Furnish the Bureau and Atlanta results of check of Army records. Do not set out any leads on the basis of information developed, leaving same to the Bureau.

Mr. J. Edgar Hoover,  
4936 30th Place, N. W.  
Washington, D. C.

67(c)

Wash. D.C.

The controlled press and the "liberal" clergy that promoted Fidel Castro as the "George Washington of Cuba", have promoted Martin Luther King, Jr. as a "Great American". The Communistic Background and associates of Fidel Castro, who betrayed the Cuban people into Communist tyranny, provide an alarming comparison with the background and associates of the Nobel Prize Winner, Martin Luther King, Jr.

The House Committee on Un-American Activities has stated in its official report that it is a Communist goal "to weaken the Federal Bureau of Investigation, to discredit it's great director, J. Edgar Hoover..." A recent local example of this was the distribution of petitions attacking the FBI and calling for the replacement of Mr. Hoover as Director of the FBI at the speech of Martin Luther King, Jr., Jan. 11, 1965 on the Johns Hopkins University campus.

In response to attacks against the FBI by Martin Luther King, Jr., Mr. Hoover stated, "In view of King's attitude and his continued criticism of the FBI on this point, I consider King to be the most notorious liar in the country".

FBI Director, J. Edgar Hoover, showed remarkable restraint during his recent controversy with integration leader, Martin Luther King, Jr. The nation's top law enforcement officer refrained from citing King's record of affiliation with pro-Communist activities such as:-

\*King has urged publicly that several identified Communists be freed from prison. He signed a 1960 appeal for clemency for convicted atom spy, Morton Sobell and in 1961 urged that Carl Braden and Frank Wilkinson be freed from prison. The two, both of whom have been identified as Communists, had been convicted of contempt of Congress.

\*Later that year, King signed a petition urging freedom for Junius Scales, a North Carolina Communist who had been convicted under the Smith Act. Scales claimed to have renounced Communism, but he firmly refused to cooperate with the FBI.

\*King's Administrative Assistant, the Rev. Fred Shuttlesworth, an ex-convict, is President of the Southern Conference Educational Fund, a group listed by Senate probers as a Communist front.

100-106670-1791  
\*The St. Louis Globe-Democrat in October, 1962 revealed that a "Communist has infiltrated to the top administrative post" in King's Southern Christian Leadership Conference. The paper identified the Party operative as Jack O'Dell, and revealed that he was the group's acting executive director for the Southeastern United States. O'Dell had been identified under oath as a Communist and had taken the Fifth Amendment when questioned about Communist Party activities by two Congressional Committees. Embarrassed by the publicity, King fired O'Dell in June, 1963. King, according to liberal columnish Joseph Alsop, continued to accept Communist advice. In a column published April 15, 1964 in the Washington Post, Alsop wrote:-

"Official warnings have been given to King about another, even more important figure in the covert apparatus of the Communist Party. After the warnings, King broke off his open connections with the man, but a second-hand connection nonetheless continues."

# MARTIN LUTHER KING....AT COMMUNIST TRAINING SCHOOL

The above picture was made by an employee of the State of Georgia, at the Highlander Folk School in Monteagle, Tennessee during the Labor Day week-end of 1957. The photographer was sent to the Highlander Folk School by the Georgia Commission on Education. The Highlander Folk School was abolished by an act of the Legislature of the State of Tennessee at a later date because it was charged with being a subversive organization.

Those numbered in the picture are:

1. Martin Luther King, Jr., of the Montgomery boycott and the Birmingham riots. Karl Prussion, a counterspy for the FBI for twenty-two years, charges that Martin Luther King belongs to sixty Communist-front organizations — more than any Communist in the United States.
2. Abner W. Berry of the Central Committee of the Communist Party.
3. Aubrey Williams, President of the Southern Conference Education Fund, Inc., The Transmission Belt in the South for the Communist Party.
4. Myles Horton, Director of Highlander Folk School for Communist Training, Monteagle, Tennessee.

These "Four Horsemen" of racial agitation have brought tension, disturbance, strife and violence in their advancement of the Communist doctrine of "racial nationalism."

RE: REVEREND C. T. VIVIAN

The following article appeared in the final edition  
of the daily newspaper, the "Journal Herald," Dayton, Ohio, 10/18/65  
captioned "King Aide Raps U.S. Vietnam Policy":

"A top official of Dr. Martin Luther King's  
Southern Christian Leadership Conference, speaking  
here last night, said that the struggle for Negro  
rights was well on its way to being won and that  
larger goals must be embraced, generally, world peace;  
specifically, U.S. withdrawal from Vietnam.

"Reverend C. T. Vivian addressed approximately  
150 persons on 'Selma and Saigon - The Mirror and  
The Image,' at the Zion Baptist church on Sprague.  
The program was sponsored by the church and the  
Dayton area chapter, Presbyterian Interracial Council.  
Mr. Vivian was a last minute replacement for Reverend  
James Bevel, the little yarmulke-wearing dynamo who  
is also one of Dr. King's top aides. Mr. Vivian  
is best remembered for his dramatic confrontation  
with Sheriff Jim Clark on the Dallas County Court  
House steps in Selma, which received wide press and  
television coverage.

"But the struggle typified by Selma, Mr. Vivian  
said, was largely over. The movement must now address  
itself to 'America's needs rather than Negro needs.'  
These are, he said, housing, schooling and unemployment.  
('The black and the white in Alabama are not getting  
an education fit for the 20th century.')

REVEREND C. T. VIVIAN

"And the civil rights movement has now become the 'peace' movement. One of the reasons being, Mr. Vivian implied, that civil rights is growing stale. He compared it to another movement - labor. 'The ship of labor,' he said, 'got stuck on a reef of mashed potatoes and gravy.'

"The speaker condemned what he called our 'might makes right' attitude in Vietnam.

"We have a choice, he said, of allowing self-determination or being the bully of history.

"He also echoed the oft-repeated theory that the U.S. mistreats people (i.e. Vietnam, San Domingo, Panama) because their skins are darker.

"He compared the struggle of the White South versus Integration with that of the U.S. versus the Vietcong.

"Among the points: Pride is keeping segregation in the South, the people actually realize they are wrong; and pride is keeping the U.S. in Vietnam, we actually realize we are wrong."

COMMUNIST INFLUENCE IN RACIAL MATTERS

MARTIN LUTHER KING, JR.

[REDACTED]  
[REDACTED]  
[REDACTED] advised MARTIN LUTHER KING, JR., President, Southern Christian Leadership Conference (SCLC), was scheduled to arrive in Philadelphia at 30th Street Station, Pennsylvania Railroad, at 7:24 p.m. that day; would speak at the dinner sponsored by the Women's International League for Peace and Freedom (WILPF) being held at the Bellevue-Stratford Hotel, and then enplane at 10:40 p.m. for New York City. b7(p)

On page three of the October 16, 1965, issue of "The Evening Bulletin," a daily Philadelphia newspaper, appeared an article captioned, "Dr. King Says Here that Self-Interest Remains A Barrier to World Peace."

This article reflects the Reverend Dr. MARTIN LUTHER KING appeared at the 50th Anniversary banquet of the WILPF at the Bellevue-Stratford Hotel on October 15, 1965, and spoke before more than 1,000 people. KING cited narrow national self-interest as a barrier to peace throughout the world. In this day of dazzling discovery of novel opportunities, loftier dignities and fuller freedom for all persons, there is no excuse for the blind craving for power and resources which provoked wars of previous generations.

KING accused the United States of talking about peace while burgeoning a defense budget that already bulges, enlarging an already awesome army and devising even more devastating weapons. Most other nations are no less guilty of war.

COMMUNIST INFLUENCE IN RACIAL MATTERS;  
MARTIN LUTHER KING, JR.

The article further reflects that on September 10, Dr. KING suggested a four point program to United Nations Ambassador ARTHUR J. GOLDBERG for achieving a settlement in the war in Viet Nam, including the admission of Red China to the United Nations. Last night, however, there was no specific reference to the war in Viet Nam or to Red China.

An hour before Dr. KING arrived at the hotel, 30 pickets carrying signs that read "King's Rights Equal Anarchy," "Reds and Peace Don't Mix," and "WILPF Means Red Slavery" paraded in front of the main entrance to the hotel. However, four detectives attempted to slip KING into the hotel through a side door unnoticed by the pickets. Two of them spotted him and called him "coward" and "yellow belly." KING ignored them. The pickets were representatives of the ~~Delaware Valley Citizens for Victory Over Communism~~. There were no incidents.

 b7(D)  
advised that when KING arrived in Philadelphia at 7:30 on October 15, 1965, he was accompanied by Reverend ANDREW J. YOUNG, Executive Assistant to KING, and AMELIA BOYNTON, who was described as a leader of WILPF in Selma, Ala. This group was met at the hotel by Mrs. CORETTA KING. PA

KING appeared concerned over his appearance at this affair and desired not to pass through any crowd or pickets, and particularly did not desire to be questioned by the press. After his speech, KING was taken to the International Airport where he boarded a plane at 10:40 p.m.

### ELIJAH MUHAMMAD

The October 10, 1965, production of "Kup's Show" pertaining to Elijah Muhammad began at midnight, October 9, 1965, and was monitored by a Special Agent of the Federal Bureau of Investigation. Pertinent statements made by Elijah Muhammad are set forth hereinafter.

Elijah Muhammad did not participate in the television panel discussion but was interviewed separately by Irv Kupcinet at Muhammad's residence, 4847 South Woodlawn Avenue, Chicago, Illinois. He was interviewed from 12:00 midnight until 1:10 AM in a question - answer type of interview.

Muhammad thanked God whom he also referred to as Allah who came to him in the person of one W. D. Farad 34 years ago and gave Muhammad a message for the black man which is why Muhammad calls himself the Messenger of Allah.

Muhammad stated the black man has lived in America under the white slave master for 400 years and now wants something for himself, to be himself, and to be on his own. He added that for a black man to oppose this would result in his ultimate death as a social and economic force.

He stated regarding civil rights that Martin Luther King and other Negro civil rights leaders lack knowledge of the black race and fail to realize now is the time the black man should work to be independent and be on his own. He said civil rights leaders seek to be like the white man and want to be his equal in a white country. Muhammad pointed out that as the black man was of a different color than the white man and of a different race he should be on his own and not integrate. He said the black man has served his term of slavery and should not have to beg the white man for a job or to be his servant, adding the black man should seek a more prominent status on his own. Muhammad stated that was achieved in America by and for the white man, not the black man. He said by the government seemingly giving

### ELIJAH MUHAMMAD

more things to the black man such as its poverty programs and similar health programs it only meant that the white slave master, as he gets wealthier, can afford to dole out a little more proportionately for the black man but that such programs do not in any way elevate the black man. He said the government had an obligation to give the black man a state of its own and money for 25 years in which to operate in order that the black man can become completely self sufficient.

Muhammad said he had no power himself to bring about such change, but that Allah had such means. He added that Allah also knows when separation will take place. He said the time has come for Allah to intervene to separate the black man from his white slave master.

Muhammad stated that in America there was only a small proportion of black men as compared to the white man. He refused to name what state he would like if offered to him. He said the white man in America would lose his self respect if he yielded to the unreasonable demands of the civil rights leaders, as America cannot possibly agree with all of their demands.

Muhammad said in America intermarriages are not good, jobs for the black man were not available and in America the black man is not as good as the white man. The NOI desires, according to Muhammad, a state for themselves and equipment with which to operate it on a businesslike basis.

He stated that such prominent black men as Dr. Ralph Bunche, Jackie Robinson and the like only serve the white man and do nothing to better their black brothers.

Muhammad stated that like Moses and Jesus stated in the Bible, the black man was deaf, dumb and blind adding that if that sounded like Governor Wallace of Alabama it still was true.

ELIJAH MUHAMMAD

Muhammad stated that the education the black man has received will help him to go for himself, but doesn't mean that he should be satisfied and perform his services for the white man. He said such educated Negroes should separate from the white man and utilize their education for the black man when he gets his own state. He added that the black man would need modern tools, machinery, buildings and land in this connection.

He said the black man has lost his birthright and there is no record of his ancestry in America. He added that all the NOI wanted was freedom, justice and equality for the black man.

Regarding hate, Muhammad stated that according to Moses and Jesus a human being has to hate evil people, adding that such was in the Bible. He said in the Bible even brothers hated each other. He said some brothers couldn't live together and this included black and white and even Red China. Muhammad said you couldn't expect the Negro to follow the Bible if white Christians do not do so, adding that Christianity is anti-Negro.

Muhammad stated that Allah has stated all white men are devils, but that there are various degrees of devilry and that some whites are better than others. He said Jesus stated the human race were followers of the devil and He was crucified for it.

Muhammad stated Martin Luther King was wrong in his approach to civil rights and said he was misguided as white men and black men could not get along together. He said the black man must trust in God, not Martin Luther King, adding that the Nobel prize was no honor to King as he had done nothing for his people.

Muhammad said he never advocated boycotting white businesses, but only that whenever possible the black man should buy from black people. Muhammad added it would be very silly for him if he needed a suit to go without one if he could buy one from the white man.

**ELIJAH MUHAMMAD**

Regarding the bearing of arms for America, Muhammad stated after a Muslim receives the teachings of their religion it is then up to them individually to determine if they desire to serve in the Armed Forces.

Muhammad thanked Kupcinet for the opportunity to present his views to the public.

NATION OF ISLAM, Formerly Referred  
to as the Muslim Cult of Islam,  
Aka. Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 7, 1965, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 3, 1965, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by these Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.
